

SLSNZ - Summer Staff Employment **Applications are now open**

Hi Everyone,

Surf Life Saving New Zealand is inviting applications for the summer staff positions in the Southern, Central and Eastern regions. The positions include **Beach Education Instructors, Regional Lifeguards (RLS)** and in some areas, **event safety squads** for the 2010/2011 summer season.

This year applicants for summer staff positions will need to complete applications online (via survey monkey) by going to the SLSNZ website or following the link below. The application will take about 10 to 15 minutes to complete, provided the applicant has all the required information at hand. Applicants will need their SLSNZ membership number to complete the application and should make contact with their club administrator if this is unknown to them. We suggest applicants speak to their club about endorsing their application at the same time.

Click [here](#) for the link to the online application or follow the links through the SLSNZ website; www.surflifesaving.org.nz/jobs

Information required to complete the online application includes:

- Your details – including SLSNZ member number, address and phone and your emergency contact persons details
- Your lifeguarding experience and qualifications
- Your availability to work during the summer and to attend trial/training dates.
- Which region and Beach you want to be placed at.
- Name and contact of club endorsement and two people that can be a referee for you.

The process for this year:

- | | |
