Programme:

All programme information and event time will be posted on the [SLSNZ Calendar](#). Each event will have its own page that will be updated regularly building up to it.

Event Entries:

For the events this season, we will be using the online event entry system [Enter NOW](#).

Entries will close at 8am on the Wednesday prior to events.

Below are some things to note when you are doing your carnival entries.

Active Members:

To be entered the competitors must be Active/Rolled Over into the current season. Please speak to your club administrator to get this sorted.

New members need to have applied on the [Join a Club](#) page on the website. The club admin then needs to accept their membership application – info in the [CRM User Manual](#) (page 19-20) for doing this via the CRM or the [Applications](#) user guide if using the Portal.

200m Badges:

All U11 – U14 water events and U10 board race/surf race/diamond competitors must have a current 200m Safety Badge to enter any water events (more information on this award can be found on page 37 of the [Junior Surf Manual](#)). Clubs must add this award for each Junior competitor intending to compete in the events mentioned above. This needs to be created in the database **every season** – an award created in the previous season **will not** carry through into the current season, therefore a new 200m Safety Badge or 200m Safety Badge Refresher must to be added. This can be done in [CRM](#) (page 23-24) or in the [Portal](#).

Competition Divisions:

Events will be set up to allow competitors to only be entered into their age division. There will be no racing up divisions. The divisions that will be available at this seasons events are U11, U12, U13 and U14.

A Competitor's division will be determined by their gender and their age on 30 September annually for the current competition season.

Event Entry Website:

If your club doesn't currently have access to the EnterNOW system, please contact troy.greenem@surflifesaving.org.nz.

Officials:

This year we will have the **SLSNZ Surf Official Policy** in place. All clubs will need to provide one qualified surf official for every 10 athletes competing. More information can be found in policies [SPS001](#) and [SPS002](#).

Fluro Safety Vests:

It is **compulsory** for all Surf Sport competitors to compete wearing a SLSNZ sanctioned fluro safety vest. Any competitor found not wearing a fluro safety vest will not be allowed to enter the water. This applies to all age groups and events. No exceptions. More information can be found [here](#).

Communication and Code of Conduct

During an event all communication must go through the Team Manager. No parent, coach or competitor should approach the Arena or Event Referee directly.

No matter what role you hold on the day of an event any abuse or interference from any person will not be tolerated, and any competitor/parent/helper/coach or official judged to show behaviour that is obstructive, offensive or dangerous will be asked to leave the beach.
